Dear Barns Green Families,

This month we celebrate our school value of inclusivity by taking part in Black History Month. Black History Month recognises and values the inspirational individuals and events that have shaped the black generation.

During Black History Month, we remember and celebrate the important people from the past and also those who contribute to and help our society today.

The aims of Black History Month are to:

- Promote knowledge of black history, culture and heritage
- Share information on positive black contributions to society

Today we have had the wonderful opportunity of experiencing an African Dance workshop. It has been a fantastic opportunity to gain a deeper understanding of African culture.

Have a wonderful weekend,

Mrs Knight
